

Declaration of decontamination

DECLARATION OF DECONTAMINATION

*Please sign this declaration and return together with the instrumentation.
The accompanying label must be filled in and placed visible on the packaging after decontamination !*

Undersigned declare(s) that the following instrumentation:

.....	Lotno:
.....	Lotno:
.....	Lotno:
.....	Lotno:

has been used on **animals** or in **human post mortem**:

YES / NO ⁽¹⁾

If Yes: Instrumentation which is used on animals or human post mortem material has to be treated if it is (v)CJD-contaminated. It can only be reused clinically if it is processed according to a (v)CJD protocol.

Instrumentation with a narrow lumen and therefor hard to clean may never be reused for clinical application.

Has the instrumentation been decontaminated ⁽²⁾ according to the (v)CJD-protocol ⁽³⁾ ? **YES / NO ⁽¹⁾**

If No: Has the instrumentation been used ?

YES / NO ⁽¹⁾

Has the instrumentation been decontaminated ⁽²⁾ according to the standard protocol ? **YES / NO ⁽¹⁾**
